Bid position

Place bid

If no additional rent details are available, you are given the following pop-up message

If you tap on 'Show on map' this brings up a google maps view of the property location

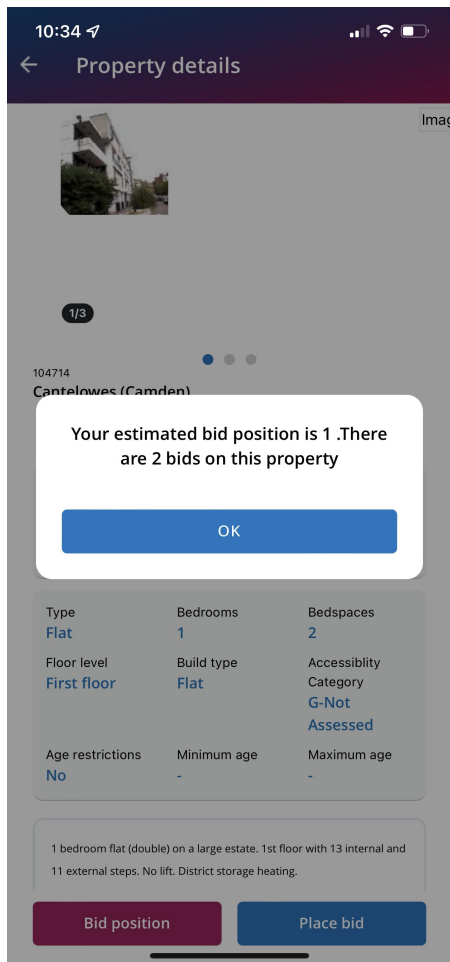

You have 2 options at the bottom of the property details page 'Bid position' & 'Place bid'

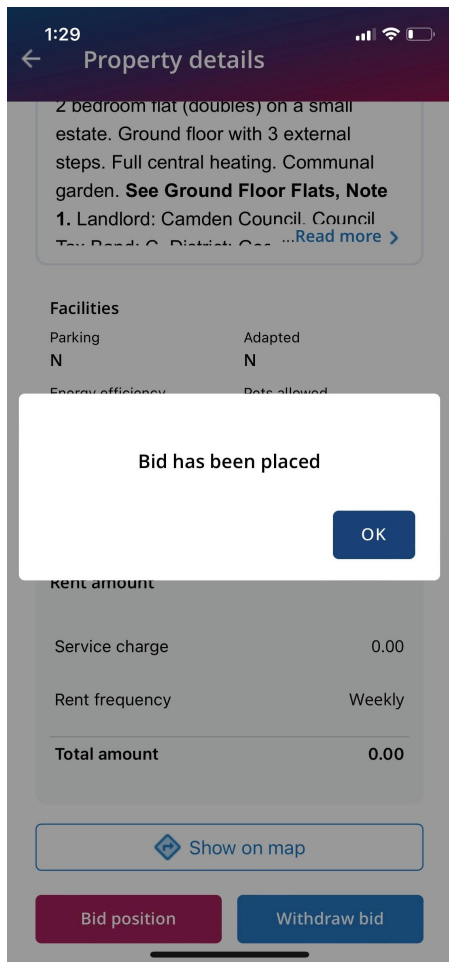

Bid position

Place Bid

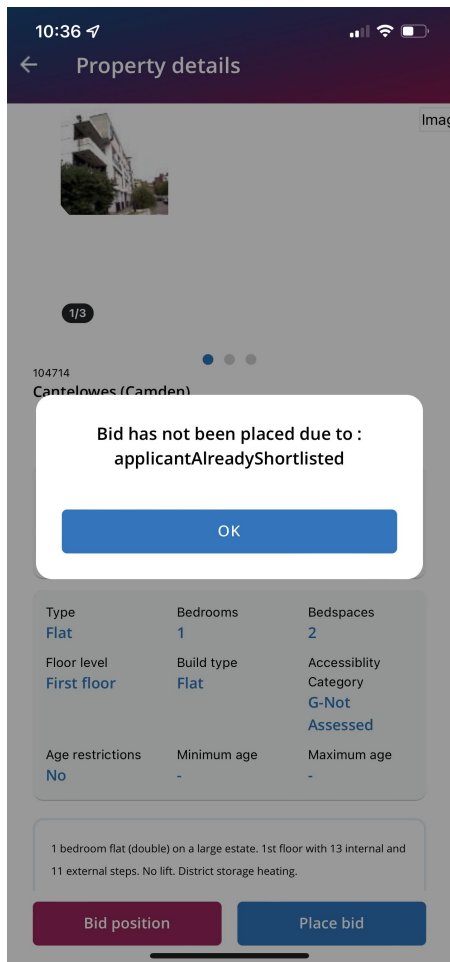

'Bid position' will show you your expected bid position

‘Place bid’ will place a bid on the property and you are given a success message

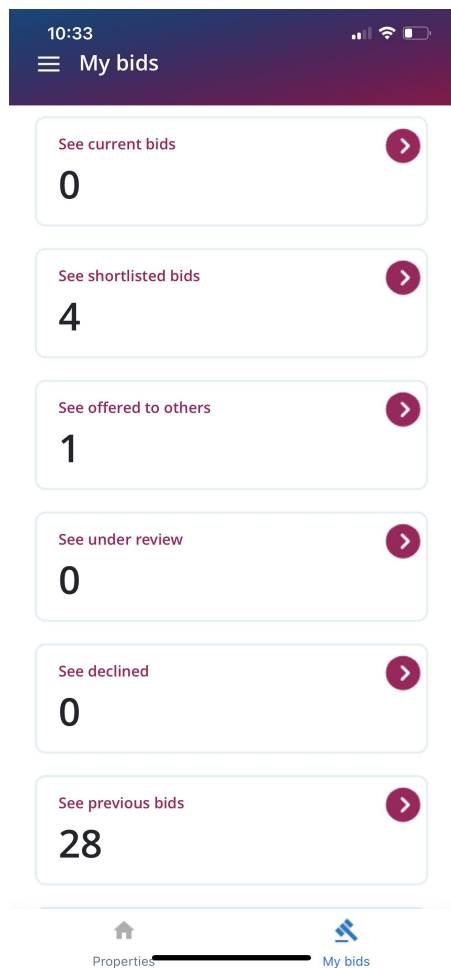

You can also have a bid not placed message for example 'already shortlisted'

Taping on 'My Bids' will take you to your:

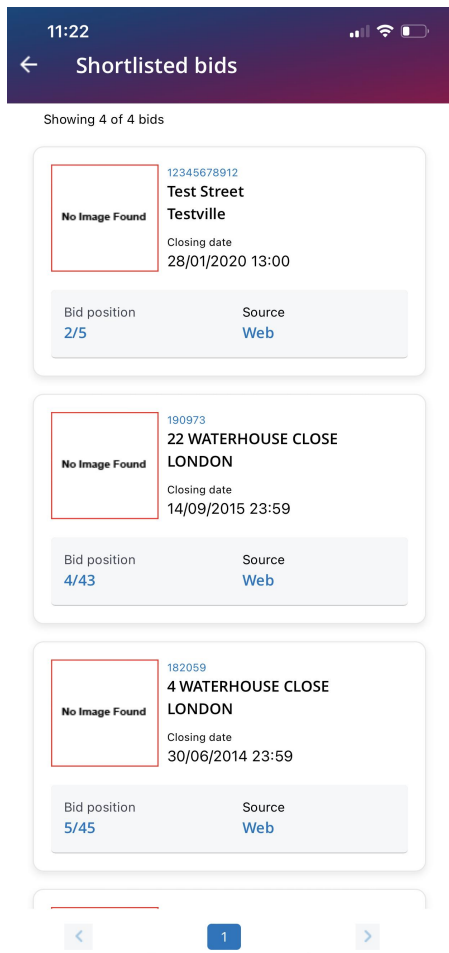

- Current bids
- Shortlisted bids
- Offered to others
- Under review
- Declined
- Previous bids
- Offered bids
- Withdrawn bids
- Let bids

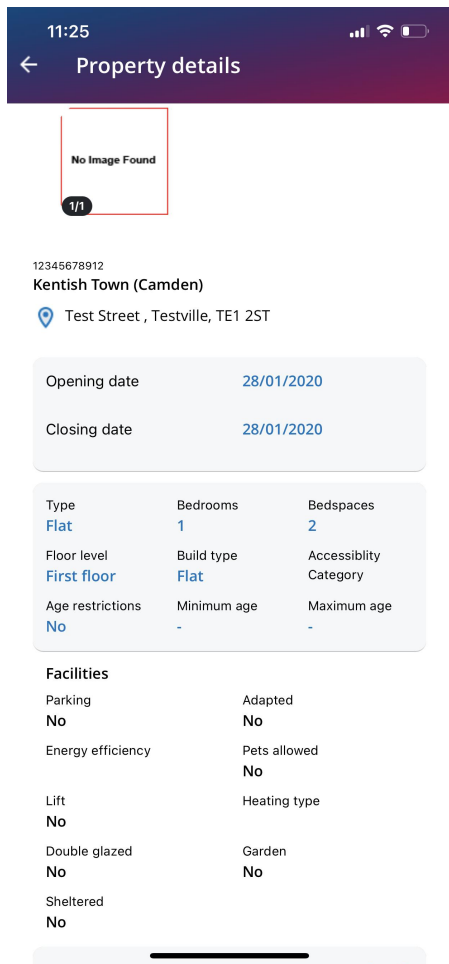

Tapping on any of the options will bring up a list of the properties

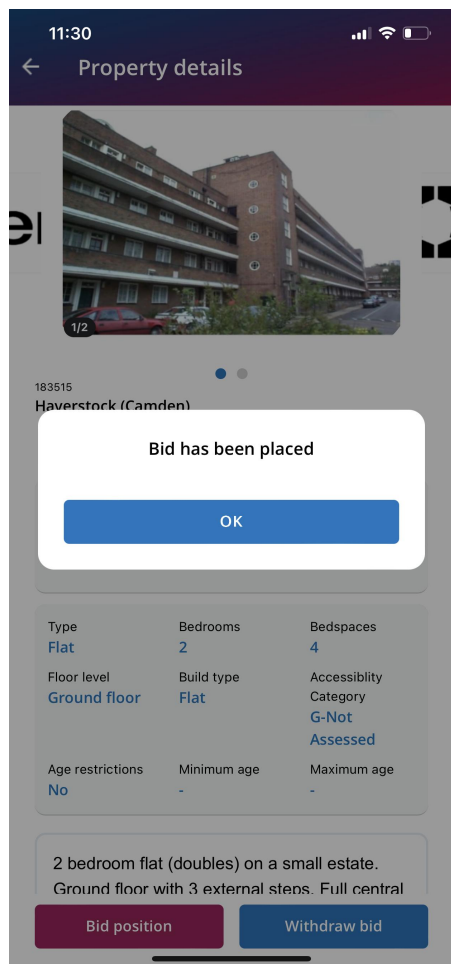

For example, tapping on 'see shortlisted bids' will bring up the list of properties you are shortlisted for, if you are shortlisted for multiple properties they will be displayed across several pages, you can change the page by tapping on the arrows at the bottom of the page to change the page.

Tapping on any of the properties will take you back to the details of the property

To place a bid when you are in the 'property details' you tap on 'place bid'

You also have the option to 'withdraw bid' this is done via tapping 'withdraw bid' from the same page
